Classes.....

Clear round 10am – 11am

Jumps to start from x poles and will be raised to suit the competitors rosettes to all clear rounds

Class 1 - 11am Ride and run Jumping Jumps will be at 15cm - 30cm

Class 2 - Ride and run Jumping Jumps will be at 40cm – 55cm

The first member in the pair jump around the course of jumps against the clock then pass over the whip to the un mounted member of the pair who then run around the course. The fastest time wins, knock down of a pole will result in 5 seconds added to your time refusals just take you longer!

Class 3 -Mirror jumping knock out 15cm - 30cm

Class 4 -Mirror jumping knock out 40cm – 55cm

There will be a short course of jumps which you will compete against another competitor, the fastest rider in each pair will go through to the next round until we have a final.

Class 5 - Bounce challenge

We will start with 3 x-pole bounce jumps in a row. Riders will jump one at a time and then all clear rounds will go in to the next round of 4 in a row. We will continue to add bounces until we run out of space! If there is still more than one competitor left in we will raise the x-poles!

Class 6 - Can knock out

The jump will start at full width and get narrower in each round. The winner is the person who can jump the narrowest jump!

Class 7 - Christmas Puissance

Jump the wall clear to go in to the next round, the wall will go up in each round just like at Olympia!! The wall will start at 45cm.
